

B.E.A., Inc

Microwave Detector

10FALCON	NEMA 4 Industrial Microwave Motion Detector • Ability to discriminate between vehicular and pedestrian traffic • Able to ignore traffic parallel to the door • Economical alternative to a loop detector • Mounting height: 11.5' to 23' • Remote control adjustable	460.00
----------	--	--------

Infrared Detectors

10SSI	Door mounted safety sensor that utilizes distance-measuring active infrared technology. • The SSI incorporates one master module in one housing • Overall length is 34 1/2" endcap to endcap	250.00
10SSQD	SuperScan Quick Disconnect. One needed per door leaf.	40.00

Time Delays/Security Modules

10BR3	Programmable 3 Relay Logic Module	116.00
10MC25	Delay on Make / Delay on Break Time Delay Module	92.00

Accessories

1024VAC	24 V (40 VA) Transformer with Mounting Feet	20.00
1012VAC	12 V AC/DC 115 mA Transformer with Mounting Feet	28.00

B.E.A., Inc

6" Panther Push Plates

10EMR61	Panther 6" round slim profile push plate assembly with blue Handicap logo and blue "Push to Open" text • Includes plate, box and 433 transmitter, fully assembled • Nema 4	154.00
---------	--	--------

4 3/4" Panther Push Plates

10EMS4751	Panther 4.75" square slim profile push plate assembly with blue Handicap logo and blue "Push to Open" text • Includes plate, box and 433 transmitter, fully assembled • Nema 4	154.00
-----------	--	--------

6" Round Stainless Plates

10PBR1	Blue Handicap Logo & Blue "Push To Open" text	60.00
10PBR	Blue "Push To Open" text	60.00
10PBRLL	Blue Handicap Logo only	60.00
10BOX6RNDISM	Round Surface Mount Box	40.00
10BOX6RNDIFM	Round Flush Mount Box	40.00
10WRRND6	Weather Ring for 6" Round Box	4.00

4 1/2" Round Stainless Plates

10PBR45	Blue "Push To Open" text	52.00
10PBR451	Blue Handicap Logo & Blue "Push To Open" text	52.00
10PBR45LL	Blue Handicap Logo	52.00
10BOX45RNDISM	Round Surface Mount Box	28.00
10BOX45RNDIFM	Round Flush Mount Box	28.00
10WRRND45	Weather Ring for 4.5" Round Box	4.00

B.E.A., Inc

4 1/2" Square Stainless Plates

10PBS45	Blue "Push To Open" text	54.00
10PBS451	Blue Handicap Logo & Blue "Push To Open" text	54.00
10BOX45SQSM	Square Surface Mount Box	28.00

4 3/4" Square Stainless Plates

10PBS	Blue "Push To Open" text	60.00
10PBS1	Blue Handicap Logo & Blue "Push To Open" text	60.00
10PBSLL	Blue Handicap Logo	60.00
10BOX475SQSM	Square Surface Mount Box	38.00
10BOX475SQFM	Square Flush Mount Box	38.00
10WRSQ475	Weather Ring for 4.75" Round Box	4.00

Jamb Stainless Plates

10PBJ1	Blue Handicap Logo & Blue "Push To Open" text	54.00
10PBJL	Blue Handicap Logo	54.00
10PBJ	Blue "Push To Open" text	54.00
10BOXJAMBSM	Surface Mount Box	10.00

Dual Push Plate "Vestibule Plate"

10PBDGP1	4" x 4" Stainless Steel Dual Push Plate for use in Vestibules - Includes adapter ring, two separate push plates with blue Handicap Logo, Arrow and blue "Push to Open" text on one back plate. Requires two 10TD433PB3V transmitters.	100.00
----------	---	--------

B.E.A., Inc

Vertical Actuation Bar

36" Vertical Actuation Bar/Low Profile push plate solution • Entire surface is activation-ready • Membrane switches provide quiet and reliable activation • Weather resistant stainless steel construction • Exceeds California Building Code Section 1117B.6 • Able to be mounted on a wall or a commercial bollard • Dimensions: 36" x 6" x 1"

10LPR36HW	Hard-wired solution	470.00
10LPR36-433	Includes integral 433 MHz transmitter	520.00

Bollard Posts

10BOLLARDBLK	Black Finish Bollard Mounting Post	310.00
10BOLLARDSLV	Silver/Clear Finish Bollard Mounting Post	310.00
10BOLLARDBRZ	Bronze Finish Bollard Mounting Post	310.00

Touchless Push Plate

10MS08U	Touchless "Magic Switch" utilizing microwave motion technology	220.00
---------	--	--------

Keypads

accepts 120 individual user codes, 12/24 VAC/VDC

10KEYPAD	Indoor Keypad	190.00
10KEYPADWR	Weather Resistant Outdoor Keypad	276.00

B.E.A., Inc

433 MHz Digital Transmitters/Receiver

10RD433	433MHz Digital Receiver	56.00
10RD433EH	433MHz Digital Receiver, Extended Hold	56.00
10TD433PB3V	433MHz Digital Transmitters	51.00
10TD433PB9V	433MHz Digital Transmitters	50.00
10TD433HH1	433MHz Digital Transmitters, 1 button	51.00
10TD433HH2	433MHz Digital Transmitters, 2 button	66.00
10TD433HH3	433MHz Digital Transmitters, 3 button	68.00
10TD433HH4	433MHz Digital Transmitters, 4 button	70.00

300 MHz Analog Transmitters/Receiver

10R300	300MHz Receiver	72.00
10T300HH	300MHz Hand Held Transmitter, 1 button	66.00
10T300HHDBL	300MHz Hand Held Transmitter, 2 button	62.00
10T300KEYCHAIN	300MHz Key Chain Transmitter, 3 button	66.00
10T300MINIPB	300MHz Mini Transmitter w/Flag Connectors, 1 button	66.00
10T300PB	300MHz Transmitter w/Flag Connectors, 1 button	56.00

B.E.A., Inc

Request to Exit Detector

10R2E-100	Premium active infrared Request to Exit detector for access control applications: · Header mounted with pattern placed in front of the door handle · Rejects false detection for parallel traffic or objects slid under the door · Optional alarm can be sounded when door is open or maglock is activated · UL 294 and CUL S319 listed	130.00
-----------	---	--------

Security Electronics - Passive Infrared

10FLYKITB	ONE BOX SOLUTION! Black FLY Kit Includes: • (1) 10FLY-BLK PIR FLY Sensor • (1) 10FCABLK Ceiling Adapter • (1) 10FSABLK Surface Adapter	98.00
-----------	--	-------

Piezo Electric Push Button

10PIEZ0241	Single Gang Piezo button for Request to Exit and Access Control applications - Uses piezoelectric technology to convert pressure on the button to a dry contact relay pulse with no moving parts. 1 - 30 second Hold Time. Heavy Duty construction, LIFETIME WARRANTY	194.00
------------	---	--------

Electric Strikes

10STRIKECU	Cylindrical Universal Electric Strike • Combines three most used lock types for hollow metal, aluminum and wooden door frame types and includes the three modular faceplates • Field selectable lock mode and voltage input • Accepts 1/2" or 5/8" latch projection • Modular faceplate designs included for a variety of frame types and cut outs • UL/CUL 1034, Burglary-Resistant listed	216.00
10STRIKERE	Rim Exit Electric Strike • Surface mounted – no need to cut door frame • Accommodates hollow metal, narrow-line aluminum and wooden door frames • UL/CUL listed	474.00

B.E.A., Inc

Delayed Egress Magnetic Lock

10MAGDE1	UL/CUL - 1200lb. - 12/24V auto voltage	1,030.00
----------	--	----------

Weatherproof Multipurpose Magnetic Locks

1200 lb, Stainless steel construction, Includes lock status sensor, UL/CUL Listed, NEMA 4 rated, 12/24 VDC, Conduit Fitting

10GL1200SR	Side mount	379.00
10GL1200R	Face mount	399.00
10LZBRGATE	Includes (1) L & (1) Z bracket for use with above	60.00

Maglocks - Non-UL Listed

10MAGLOCK1	1200lb. - DPS - 12/24VDC	275.00
10MAGLOCK3	600lb. - DPS - Built-in-timer - 12/24VDC	255.00
10MAGLOCK5	Double Lock, One Housing - 1200lb. - 2DPS - 12/24VDC	615.00
10MAGLOCK6	Double Lock, One Housing - 600lb. - 2DPS - 12/24VDC	390.00

L&Z Brackets For Non-UL Listed Maglocks

Includes (1) L bracket and (1) Z bracket		
10LZBRMAG1	for use with 10MAGLOCK1	54.00
10LZBRMAG3	for use with 10MAGLOCK3	46.00

B.E.A., Inc

Maglocks - Lifetime Warranty - UL Listed

10MAGLOCK1UL	UL - 1200lb. - DPS - Built-in-timer - 12/24VDC	299.00
10MAGLOCK3UL	UL - 600lb. - DPS - Built-in-timer - 12/24VDC	284.00
10MAGLOCK5UL	UL - 1200lb. - DPS - Built-in-timer - 12/24VDC	730.00
10MAGLOCK6UL	UL - 600lb. - DPS - Built-in-timer - 12/24VDC	450.00

Magnetic Lock Accessories

10LZBRMAG1UL	L & Z Bracket for use w/10MAGLOCK1UL	54.00
10LZBRMAG3UL	L & Z Bracket for use w/10MAGLOCK3UL	46.00
10FILLER12UL	1/2" Filler Bar for UL Maglocks	13.00
10FILLER34UL	3/4" Filler Bar for UL Maglocks	15.00
10UBRACKETUL	Glass Door mounting bracket	45.00

Security Electronics - Power Supply

Altronix brand: Input 115 VAC/60 Hz, Output 12VDC/24VDC		
10PS12-24		260.00
10PS12-24D	with Battery Backup Circuit	280.00
